

PROBLEMS EXPERIENCED ONLINE

1. I cannot log back into my profile, I lost my password. What do I do?

To reset your password, click on 'Login'

The system will request for you to enter your CAO Number, ID Number and Surname that was provided on your online application. You will also be required to enter a verification code that will be sent to you by email or SMS.

Once the system verifies your details, you will receive your password via email or SMS based on the option you selected.

Please note that this is a temporary password and is only valid for 24 hours. You are required to use the 'Change Password' functionality to set a permanent password once you have logged in

2. I did not complete my application, my session timed out. What must I do?

To complete your online application, you must:

1. Go to our website: www.cao.ac.za
2. Click on 'Login'
3. Enter your CAO Number and Password and select 'Login' (this information would have been emailed to the email address you provided on your application)
4. Select 'Continue with online application' on the left navigation bar.
5. Follow the instructions onscreen and complete ALL the information requested then click 'Next'
6. When you reach 'Process My Application', click on the button once you have checked your information
YOUR APPLICATION HAS NOW BEEN SUBMITTED
7. The message on your screen will display that your submission has been successful.
8. You may now upload your supporting documents, and you may pay online OR via EasyPay

3. I keep getting an error message and cannot get past the biographical information page. Why?

Most fields in the online application are compulsory and must be completed. If the system alerts you of incomplete fields in the online application, please scroll to the top of the page to check if the system identified the field that is missing and enter the information required. Once you have completed all fields and sections, you will be presented with a 'summary' page showing you all the information you entered. At this point, you must click on the 'Process my Application' button at the bottom of the page.

4. I cannot select my subject when entering my results online

Please try a partial word search for the subject e.g., Math for Mathematics. A refined subject list will be displayed on screen for you to select your subject

5. I cannot enter my results online?

Please ensure that you uploaded your document for the relevant exam type. Only then will the system present the associated exam type for you to select

6. I get the error 'You have not entered enough subjects' when capturing my results

Please ensure that you have selected the correct document type for the results you are capturing and that you capture all your subjects and marks as they appear on the school report or statement of results. It is compulsory to capture your Life Orientation mark.
